
INFORMATION ON THE PROCESSING OF PERSONAL DATA OF CUSTOMERS AND SUPPLIERS Reg UE 2016/679 and Legislative Decree 196/03

In relation to the processing of personal data provided, we inform you that:

1. Data Controller

The Data Controller is TOPCONTROL srl with registered office in 39019 Terlan, Enzenbergweg 24A, tel 0471 319999 E-mail marketing@topcontrol.it pec info@pec.topcontrol.it (hereinafter abbreviated "The Company").

2. Type of data processed, purpose and legal basis of the processing

The following personal data can be collected and processed: data of common nature (name, surname, personal data, role within the company, address, social security number, bank details, contact details: email, telephone, mobile phone, employee production data) referring to: customers and suppliers and contact persons-employees-collaborators-subcontractors of customers / suppliers, possibly communicated by the same and to whom customers and suppliers undertake to forward this information on data processing, for the following purposes:

- a) pre-contractual purposes and execution of the contractual relationship with the customer / supplier and supply of the requested service.
- b) administrative-accounting-fiscal and legal obligations related to invoicing and management of the contractual relationship.
- c) sending commercial - promotional - marketing-invitation communications relating to the products supplied and sending to trade fairs and events, via email or text message or telephone.

Legal basis of data processing: fulfillment of contractual obligations for the purposes referred to in letter a); legal obligations, for the purposes referred to in letter b); legitimate interest of the Data Controller for the purposes referred to in letter c).

3. Communication of data to thirds - Data recipients

The Company may communicate the data for the above purposes to: internal company persons in charge of the processing; external parts belonging to the following categories: external consultants, service companies (IT companies, hosting companies, transport companies, shipping companies, marketing and IT services), the company's sales network, banking institutions, control bodies, sales agents , TOPCONTROL INTERNATIONAL.

4. Transfer of data to third countries

The processed data are not transferred by the Data Controller to third countries. However, in the event of any transfer of data to third countries, the transfer itself will take place in compliance with the legislation in force from time to time regarding the transfer of data to third countries.

5. Methods of processing, period and data conversation criteria

The data will be processed in paper and digital format. The data will be processed by the Data Controller for the period necessary for the execution of the aforementioned purpose and at the end of them for the further statutory period relating to the retention of contracts and administrative data and / or for legal defense (ten years from the last use and / or interruption of the prescription). The personal data of the employees / collaborators of the customers referred to in the systems will instead be processed by the company in its capacity as Data Processor pursuant to Article 28 of the GDPR as per the signed designation deed.

6. Profiling and automated decision-making processes

The processing is not carried out through automated decision-making processes (e.g. profiling).

7. Assignment of data

The assignment of data is necessary for the evaluation of the candidate for the data indicated with an asterisk and optional for the other data. The lack of mandatory data makes it impossible to evaluate the application and pursue the purposes.

8. Rights of the interested part, Revocation of Consent and Complaint to the Supervisory Authority

The interested part has the right at any time to request access to their personal data, rectification, cancellation, limitation of the same, to oppose the processing, to revoke the consent given and to exercise the right to data portability, in cases where this is applicable, by contacting the Data Controller as indicated below. In the event of an alleged violation, the interested part, having met the conditions, also has the right to lodge a complaint with a supervisory authority on data processing located in the EU member state where he habitually resides or in the EU state in which he works or in which the violation occurred.

9. Contact and proposals

To oppose the processing or exercise rights provided for by the current legislation on the protection of personal data and / or to know the complete list of external subjects of the processing and / or to obtain information regarding the transfer of data to non-EU countries and related guarantees can send a request to the email contact marketing@topcontrol.it
